

Hillcrest School is now cashless

This means that **your child will not be able to bring cash into school to pay for school dinner money and school trips.** All payments will now need to be made by you online via ParentMail.

Important

If your child has been to the school canteen this week and consumed any food items but you have not yet added dinner money online to their school canteen account you will need to do this as soon as possible – just log in to www.parentmail.co.uk and select the “Dinner Top Up” option and add some money. Until you do this your child’s swipe card will not have cash added to it and they will not be able to purchase any further items in the canteen until the account is topped up.
