

# Admissions Policy

**Date Policy due to be reviewed:** September 2017

**Committee Responsible for Policy:** Full Governing Body Committee

## Admissions Policy

Hillcrest School is an 11-18 all girls comprehensive school. The main principle of admission is to provide for the educational needs of young people in the surrounding area and across the city. We are an inclusive school and welcome all applications. We have a non-selective admissions policy. We are happy to take all children into our nurturing environment to allow them to develop their unique skills and abilities

Students are admitted to Hillcrest each year with regard to Birmingham Education Authority's policy up to the standard limit of **120 places**. Hillcrest follows the procedures laid down by Birmingham City Council in respect of Admissions and Appeals.

We aim to provide all prospective parents and pupils with the information necessary to enable them to gain a clear indication of what the school has to offer.

This is achieved in a number of ways:

- By welcoming all prospective parents and pupils to an open evening and open days at the school each year. Parents and pupils are taken around the school by current pupils in the course of the open evening or by a member of staff and pupils during a working school day.
- A detailed prospectus and other information sheets are always available on request.
- Interviews and a tour of the school are arranged for prospective parents and pupils who cannot attend the open evening or open days.
- Open evenings and open days are advertised in the local press and in the publication 'Secondary Education Opportunities for your child in Birmingham'

### Criteria for Admissions

For all community schools in Birmingham, Birmingham City Council is the admission authority and has set its oversubscription criteria. When a community school receives more applications than it has places available, the places at that school will be offered based on the following order of priority:

- Looked After Children (in public care) or previously Looked After Children.
- Siblings\* (sister who will be in attendance in September of the year of admission including in the sixth form where a sister is defined as: having the same two natural parents; having one common parent; having a 'step' sibling relationship; legally adopted or fostered by the same parent(s))
- Distance\*\* (children who live nearest the school).

\*Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings. Children not adopted or fostered or related by a parents' marriage or with one natural parent in common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

\*\*Within each of these categories priority is given to those who live nearest the school, calculated on the basis of a straight line measurement between the child's home address and the school. The Local authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address within this system. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

Any child with an **Educational Health & Care Plan or a statement of special educational needs (SEN)** is required to be admitted to the school that is named in their statement. This gives any such child overall priority for admission to the named school. This is not an oversubscription criteria.

## Waiting list

The school holds waiting lists for over-subscribed year groups. Applications for inclusion on a waiting list must be made on the school's appropriate form. Waiting lists will be reviewed regularly to see if the place is still required. Pupils will remain on the waiting list until parents/carers decide the place is no longer required. Waiting List applications will be ranked according to the school's oversubscription criteria, as described above. The waiting list will be kept for the first academic term. Thereafter the list will be re-ordered in line with the published over subscription criteria.

## Appeals

All students not offered a place at the school have a right to appeal to an Independent Appeals Panel. Hillcrest abides by the procedures regarding pupils who are granted places at the school following an appeal. Further details of the appeal procedure will be provided with the letter explaining why the application has been refused. Parents who wish to appeal against a decision to refuse their child admission should contact School Admissions and Pupil Placement Service on 0121 3031888 to request an appeals form.

## In Year Applications

Applications made outside the normal admissions round (in-year admissions) should be made directly to the school. Parents/carers can apply for a place for their child at any time and to any school. On receipt of an in-year application, the school will notify the local authority of both the application and its outcome, to allow the local authority to keep up to date with figures on the availability of school places in Birmingham.

As part of the in-year admissions process the following steps will be adhered to:

- Parent/carer to contact the school via telephone or email to request application form.
- Parent/carer to complete application form and return it to school
- School to contact parent/carer to arrange a meeting to discuss admissions process
- School to contact previous school to obtain information on child's background, academic progress, behaviour, attendance, safeguarding issues, etc
- Parent/Carer to attend meeting at school once information has been obtained from previous school, if appropriate
- Parent/Carer required to bring following documentation to meeting
  - ❖ Child's birth certificate **and** passport
  - ❖ Parent/carer proof of identity, ie – passport, driving licence, etc
  - ❖ Parent/carer Visa (if newly arrived into the country)
  - ❖ Child's Visa (if newly arrived into the country)
  - ❖ Proof of address, ie – utility bill, tenancy agreement, etc
- Child will be invited into school to undertake assessments (English, Reading Comprehension and Language, Maths and Science)
- Child will start school the following week (Tuesday)

If at any point of the application process the school feels it is unable to offer a child a place due to concerns about behaviour, it will initiate a referral to the Local Authority under the Fair Access Protocol.

## Visits to School

Prospective parents/carers are welcome to visit the school at any time during the school day by appointment. An Open Morning for prospective parents is held in the Autumn Term.
