1st September 2016

Dear Friend and Supporter,

50:50 Club

I am writing to you as a valued supporter of the Friends of Hillcrest 50:50 Club, to let you know of forthcoming changes.

Our Bank have updated our bank account and given us a new account number.

Unfortunately, they are unable to transfer direct debits from one type of account to another, so we are writing to you directly to ask you to contact your own bank to make the switch.

Please find enclosed a bank mandate form showing our new details.

To continue to be included in the monthly drawer, please return the completed form to your own bank or School Reception. You can also make the changes yourself via online banking, if you use that facility.

The existing account will be closed during October half term and any payments made to it after that will be returned to you and your numbers will not be included in the drawer.

Thank you for supporting the Friends and the School and we do hope that you feel able to continue to do so. More forms can be provided if you know of anyone else who would like to join in. If, however, you would prefer not to be in the 50:50 Club, please let us know so that we can release your numbers.

Yours sincerely

Cathie Wilcock
Friends Chair

“Please join us in supporting your children”

HILLCREST SCHOOL

NUMBERS CLUB DRAW

Dear Parents,

We the Friends of Hillcrest need your support to raise funds by inviting you to join our 50/50 Club.

This is a simple and effective way of raising funds for much needed equipment and facilities for your child's education. It also funds the awards given to classes of pupils who achieve the best attendance and other school projects.

ALL PROFITS ARE GIVEN TO THE SCHOOL

How It Works

1. To become a member of the club you agree to pay between £1 and £5 per month. Any family or friends can join. If you need more forms please ask at Reception.
2. For each £1 promised (maximum 5 per person) a separate numbered ball will be allocated to you, which will be entered in to a draw every month.
3. By law, at least 50% of the money received has to be paid out in prizes, the rest will be used for the benefit of your child. At present the first prize of £25, with a second prize of £15 and third prize £10 is paid out every month. The more members we have joining the club, will then increase the amounts in prize money and the number of winners will increase.
4. To simplify the collection of the money, each member is asked to complete a Standing Order request for the bank to transfer automatically the agreed amount to the 50/50 club every month. The member may cancel the request at any time.

The Benefits

The club provides a simple and painless way of supporting the School, especially for those who find it difficult to attend other fund raising events.

The more members we have in the club, the more money we will have available to buy much needed equipment for the School, plus the rise in prize money each month.

Remember, Each person can buy up to 5 numbers to increase their chance of winning.

If you wish to have a winning chance in future draws, please complete the attached form, RETURNING THE TOP HALF to Hillcrest School Reception and the BOTTOM HALF TO YOUR BANK, or if you prefer send the whole form to us and we will do this for you. The club committee will then proceed with the necessary arrangements.

We will publish a regular report of prize winners and the projects for which the money is being used, in the Hillcrest Messenger. If you require any further information please contact the club chair person, Mrs Cathie Wilcock at mrswilcock@gmail.com
