13th November, 2014

Non Uniform Day – Friday 14th November 2014

We will be holding a non-uniform day this Friday to raise money for Children in Need. Students will need to donate 50p in order to wear their own clothes.

Teacher Training Day – Friday 28th November 2014

As you are aware from the school calendar, Friday, 28th November is a Teacher Training Day, and therefore students are not required to attend school.

Darker Evenings and inclement Weather

As the evenings have now begun to get darker, students will need to be more aware of personal safety as they travel to and from school. Please remind them to take extra care when crossing roads and that they need to be 'visible' to drivers during dark mornings and evenings.

Please make sure the school has 'up to date' contact details if you change your mobile phone number or email address. This is to ensure you receive text and email updates. In the event of school closure due to extreme weather conditions, or other emergencies, a message will be posted on the school website by 7.00am and an announcement will be made in the usual way, on local radio stations.

Safe Parking outside School

If the small 'drop off' car park is full, please do not block the entrance to school or park on pavements on the school grounds. We advise parents/carers to park on the school side of Stonehouse Lane beyond the double yellow lines.

Our neighbours need access to their properties and we would therefore also ask for your consideration when parking outside school that you do not block access to local business places or residents' driveways. Students' safety is our priority and staff are on duty at the bus stop to supervise students.

Sixth Form Open Evening – Tuesday 18th November

Finally, a reminder to students currently in Years 10 and 11 that our Sixth Form Open Evening takes place on Tuesday 18th November from 6.30 to 8.30pm. We look forward to welcoming students to find out more about the range of courses available to them.

Thank you in advance for your on-going support.

Yours sincerely,

J A Davies (Ms)
Headteacher

'Staff are very caring and students appreciate the support that they receive.'
'The school's 'getting it right' policy is instrumental in managing the positive behaviour seen across school.'
