

Year 8 Homework Timetable 2017-18

At Hillcrest we recognise the importance of homework in developing students' knowledge and skills beyond the classroom. The setting of regular, meaningful homework will help each child to make good progress and to succeed in their examinations.

Homework will be set and explained in class, but also posted on showmyhomework.co.uk. All students and parents have a personal log in to the site. All deadlines for homework will be clearly visible on the individual student's homework list.

Subject	Time allocation per fortnight
English	2 x 50 mins
Mathematics	2 x 50 mins
Science	3 x 25 mins

Additional notes:

- Students in Year 8 are expected to spend an average of one hour and fifteen minutes per night on homework.
- In some subjects a longer project or extended piece of homework may be set. This may last for up to half a term. In this case the homework will be broken down into short term goals to allow students to manage their time.
- The pattern of homework may change at certain times of the year e.g. before examinations and during practical sessions in Technology.
- In addition to the above allocation, Performing Arts homework will be set when required.
