Dear Parents/Carers,

Re: Show my homework - A new way to record, track and monitor homework at Hillcrest School & Sixth Form Centre.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set and their deadlines.

You will be provided with login details to your personal account, ready-linked to your child's homework calendar. These logins will be sent out in time for launching.

We'll be launching Show My Homework on 15th June 2016 and we hope that this service will provide parents and carers with a deeper insight into the homework their child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

To view all homework set without login details, you will be able to visit <http://hillcrest.bham.sch.uk/> from 15th June and follow the link for Show My Homework on our homepage. You will also be able to login by following this link and clicking the top right 'Login' button.

- 24/7 access
- View quality and quantity of homework
- Translation into over 50 languages
- Free apps available for iphone, ipad, ipod Touch and Android devices
- Receive automated notifications before homework is due
