

## Year 7 Homework Timetable 2016 -17

At Hillcrest we recognise the importance of homework in developing students' knowledge and skills beyond the classroom. The setting of regular, meaningful homework will help each child to make good progress and to succeed in their examinations.

Homework will be set and explained in class, but also posted on [showmyhomework.co.uk](http://showmyhomework.co.uk). All students and parents have a personal log in to the site. All deadlines for homework will be clearly visible on the individual student's homework list.

- The pattern of homework may change at certain times of the year e.g. before examinations and during practical sessions in Technology.
- In addition to the above allocation, Performing Arts homework will be set when required.
