

### Year 9 Homework Timetable 2016 -17

At Hillcrest we recognise the importance of homework in developing students' knowledge and skills beyond the classroom. The setting of regular, meaningful homework will help each child to make good progress and to succeed in their examinations.

Homework will be set and explained in class, but also posted on [showmyhomework.co.uk](http://showmyhomework.co.uk). All students and parents have a personal log in to the site. All deadlines for homework will be clearly visible on the individual student's homework list.

Subject	Time allocation per fortnight
English	2 x 65 mins
Mathematics	2 x 65 mins
Science	3 x 40 mins
All Options	3 x 35 mins
R.E. short course	1 x 60 mins

#### Additional notes:

- Students in Year 9 are expected to spend an average of one hour thirty minutes per night on homework.
- In addition to homework set by subject staff, they are expected to spend approximately fifteen minutes on reviewing their day's lessons or revision. This is included within the one hour and thirty minutes
- In some subjects a longer project or extended piece of homework may be set. This will usually be the case for many BTEC and Foundation Learning courses. The project may last for up to half a term. In this case the homework will be broken down into short term goals to allow students to manage their time.
- The pattern of homework may change at certain times of the year e.g. before examinations and during practical sessions in Technology.
- Options subjects are listed below.

Option A	Option B	Option C
History – Miss Muncey	Geography – Mr Gregory	History – Mrs Jordan
Geography – Mrs Perry	Food Technology- Mrs Kirsz	Art – Mrs Cox
Health & Social Care – Mrs Payne	Textiles – Mrs Gill	BTEC Sport – Miss Taylor
Triple Science – Mr Khan	Philosophy and Ethics – Miss Beaumont	Health & Social Care – Mr Kennard
Food Technology - Mr Kennard	BTEC - Mrs Jones
